

Grade XI and XII NEB Program Prospectus

**ST. XAVIER'S
COLLEGE**

Message from the **PRINCIPAL**

St. Xavier's College is a Jesuit institution of higher education and a proud member of the worldwide Jesuit educational network comprising nearly 3,500 schools and colleges across more than 80 countries. Rooted in a long tradition of academic excellence and human formation, Jesuit education seeks to develop individuals who are intellectually competent, morally grounded, and committed to serving others.

At St. Xavier's College, students are guided to become reflective individuals who contribute meaningfully towards building a just, humane, and inclusive society. It is a joy to see students from all seventy-seven districts of Nepal creating a vibrant community of learning, friendship, and mutual respect on this campus.

I warmly invite young learners who share these aspirations and values to become part of the Xavierian family and journey with us towards excellence, leadership, and service.

Fr. Dr. Augustine Thomas, S.J.

Key Info about Admission

- **NO ENTRANCE TEST** will be conducted.
- **Candidate shortlisting for interview** will be based solely on the **GPA/CGPA or percentage** obtained in the SEE or equivalent examination.
- **Final selection** of **Main list**, **Waiting list** and **Not Selected** will be determined through the **interview** with the shortlisted candidate and their parent(s)/responsible guardian(s).
- Applicants must submit their original SEE (or equivalent) mark sheet. If unavailable, **a verified online copy** must be submitted with the school's official stamp and principal's signature.

Extra Curricular Activities

We believe in the holistic development of students, and our NEB Program offers a wide range of co-curricular and extracurricular activities. Students are encouraged to participate in various clubs and societies, including:

- Eco Sphere Club
- Social Service, Environment and Technology (SET) Council
- Art & Culture Club
- Literary Club
- Sodalitas de Mathematica
- Club de Chemia
- Universal Solidarity Movement
- Magis
- Sports Club
- Computer Club
- Physics Club
- Alumni Club

These activities include the Sports Day, Walkathon, SET Exhibition, Literary Contests, Cleaning Campaign, Blood Donation Program, Mini-marathon, Mathematics Quiz, Mela and Olympiad, Public Speaking and Debate Contests, Drama, Seminars, and Symposiums.

Specialities

St. Xavier's College provides a well-maintained academic and spiritual environment that is highly conducive to the teaching-learning process. The two-year program incorporates the following features:

Project Work and Field Visits

The curriculum is designed to integrate both theoretical and practical approaches to learning. Students are encouraged to develop skills in research, observation, data collection, analysis, and presentation. To achieve these objectives, the college actively involves students in the following academic activities:

- Project Work
- Research Training (Field Visits, Observation, Data Collection, and Analysis)
- Report Writing
- Laboratory Experiments
- Periodic Symposia, Seminars, and Conferences
- Presentation of Reports on Various Platforms
- Science Exhibitions

Lab Facilities

Students of Grades XI and XII have access to fully equipped laboratories that enable them to perform experiments and practical work as prescribed by the curriculum.

- Physics Lab
- Chemistry Lab
- Biology Lab
- Computer Lab

CLUB ACTIVITIES

SXC Science Fest

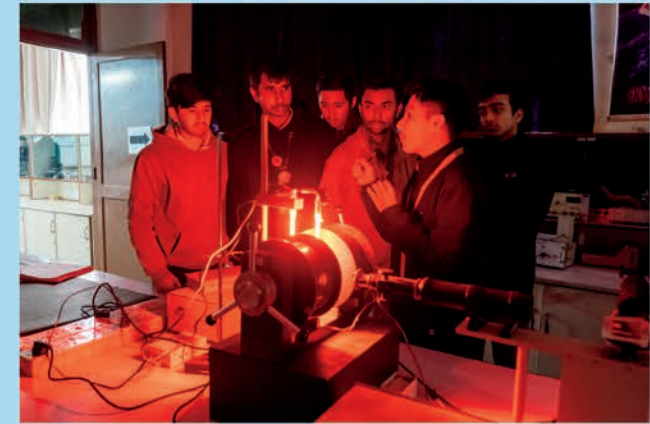

The SXC Science Fest is organized through the collaborative efforts of various student clubs of the College, including the Computer Club, Physics Club, Ecosphere Club, Sodalitas de Mathematica, and Club de Chemia. It serves as a platform for students to engage in innovative, interactive learning experiences through activities such as Human Chess and Human Ludo, Escape Rooms, Treasure Hunts, Periodic Table Activities, and Atomic Model Demonstrations.

SET Walkathon

The SET Council organizes the SXC Walkathon along with a Wheelchair Rally to promote social awareness, inclusiveness, and community engagement. The event witnesses enthusiastic participation from students and members of the community. The proceeds collected from the program are dedicated to organizations working for social causes, particularly in support of people with disabilities and independent living initiatives.

SET Exhibition

The SET Exhibition, organized by the SET Council, serves as a national platform for students to showcase their creativity, scientific knowledge, and innovative ideas related to social upliftment, environmental conservation, and technological advancement. Recognized as one of the College's major academic events, the exhibition encourages innovation, research, collaboration, and practical learning among students.

CLUB ACTIVITIES

Annual Sports Day

The Sports Club organizes an annual two-day sports competition for students of the NEB Program. Students participate in a variety of sporting events, including basketball, football, chess, and track competitions. Outstanding individual performers and winning teams are recognized with medals and certificates on the College Day.

Literary Contests

The Literary Club conducts various literary competitions to encourage creative expression and language proficiency among students. These include story writing and essay writing competitions in both Nepali and English. The club also organizes a poetry event titled "Prawah Kavi Gosthi." Such activities provide students with opportunities to showcase their creativity, develop their writing skills, and gain recognition for their literary talents.

Talent Hunt

Talent Hunt provides students with a platform to showcase their diverse talents in areas such as singing, dancing, poetry, and other creative performances. The event is evaluated by distinguished artists and professionals, ensuring meaningful recognition of student performances.

CLUB ACTIVITIES

Student Counseling

St. Xavier's College places great importance on the physical health and mental well-being of its students. The College provides professional counseling services and basic health support through qualified counselors and nurses who are available to assist students with personal, emotional, academic, and social concerns. All counseling services are confidential and provided free of charge.

Our Services

The Counseling Department offers support and guidance in the following areas:

- Emotional and personal counseling to help students address personal challenges and concerns
- Guidance sessions that promote individuality, teamwork, communication skills, and mental well-being
- Career counseling and interaction sessions to help students identify their academic and professional goals
- Assistance in locating career resources and relevant information
- Support in university application and documentation processes
- Guidance in selecting suitable universities through the use of various career and university search tools
- Interaction programs and counseling sessions with representatives from national and international universities
- Educational fairs and orientation sessions are conducted in collaboration with universities and organizations such as USEF

Strong Alumni Network

St. Xavier's College takes pride in its strong and vibrant alumni network, comprising more than 14,000 graduates who have made significant contributions across diverse professional fields in Nepal and abroad.

Alumni Engagement

The College maintains a strong relationship with its alumni through regular interactions and engagement programs. Alumni frequently contribute to the College community as guest speakers, mentors, and resource persons.

Success of Alumni

Graduates of the College have achieved distinction in diverse fields, including education, science, technology, business, public service, the arts, and social leadership. Their achievements continue to inspire present and future students.

Alumni Events and Reunions

The College organizes alumni gatherings and reunion programs that provide opportunities for graduates to reconnect, strengthen professional relationships, and remain actively involved with the College community.

Alumni Support and Contributions

Alumni contribute significantly to the growth of the College through scholarships, mentorship programs, academic support, and institutional development initiatives.

Networking Opportunities

The extensive alumni network offers valuable opportunities for professional networking, collaboration, career guidance, and mentorship for both current students and graduates.

Fee Structure

- Fees once paid are non-refundable.
- The Guarantee Deposit is refundable only upon successful completion of the course and fulfillment of all College requirements.
- Yearly fees do not include NEB Registration and Examination fees. These charges must be paid separately as prescribed by the National Examination Board.

ONE TIME PAYMENT

ADMISSION FEE	: Rs. 11,500
GUARANTEE DEPOSIT	: Rs. 11,500
ALUMNI REG. FEE	: Rs. 2,000

AT THE TIME OF ADMISSION

Tuition fee (4 months) + Library Fee (Yearly) + One-time Payment
= 46,000 + 4000 + 25,000 = 75,000

- **Second Installment** : 65,000
- **Third Installment** : 52,320

PARTICULARS	FEE
Activities Fee	6,160
Yearly Tuition Fee	1,38,000
Laboratory Fee	9,000
Internal Exam Fee	6,320
Library Fee	4,000
Computer & Internet Fee	3,840
Yearly Total	1,92,320

GRADE XI TOTAL FEE:

25,000 + 1,67,320 = 1,92,320

[One Time Payment Fees] + [Yearly Total Fees] = Grade XI Total Fee

GRADE XII TOTAL FEE: [includes Yearly Total of Grade XII]

1,67,320
